CPS CTE’s 3-Dimensional Approach to Student Assessment addresses three components of college and career readiness as recommended by industry and university research.

### ACADEMIC
- Reading
- Writing
- Math
- Science

### TECHNICAL
- Occupation-specific skills

### EMPLOYABILITY
- Fundamentals
- Character/ Work Ethic
- Problem Solving
- Interpersonal
- Computer Literacy

Skills
- CPS core grades
- EPAS scores
- WorkKeys scores

Assessments
- CPS CTE grades / unit assessments
- Industry certifications
- National Occupational Competency Testing Institute (NOCTI) student assessments
- CPS | CWIC (Chicago Workforce Investment Council) Employability Assessment

Note: These skill categories are used by Association for Career and Technical Education to segment work-readiness skills.
