The Lexile Framework &
Atlanta Public Schools

Monishae O’Neill
Director, Literacy, Social Studies & World Languages

How do we utilize the Lexile Framework?

• Reading program placement
• Match readers to text
• Differentiation
• Assessment tool:
  – Universal screener
  – Progress monitoring

• Indicate performance on standardized tests*
• Communicate with parents
How do we determine a student’s Lexile?

- Use student’s Lexile scores from Georgia’s standardized assessment reports
- SRI
  - Authentic text passages
  - Computer adaptive
  - Actionable
  - Flexible
  - Indicative
  - Valid & Reliable

Match Readers to Text & Differentiation

- Textbook Resources
  - McGraw-Hill
  - Pearson
- Classroom Libraries
  - Elementary
  - Middle
  - High
- Intervention Materials
  - McGraw Hill
  - Scholastic
    - Read 180
    - After the Bell
Assessment Tool

- Universal Screener
- Progress monitoring
- Indicate performance on the CRCT*
  - Grade level alignment to CRCT
    - Does Not Meet
    - Meets
    - Exceeds

Ongoing Support

- Professional development
  - SRI reports
  - Use of data
  - Multiple measures
- Parental involvement
  - Share information on consistent basis
- Monitoring classroom instruction
  - Ensure student’s needs are addressed
  - Teachers using resources appropriately
